PRELIMINARY AMENDMENT

Sir:

Please preliminarily amend the above-referenced application as follows:

In the Specification:

Please replace paragraph beginning at line 14 of page 1, with the following rewritten paragraph:

A transducer in a mobile telephone may be used to fulfill several functions in addition to the conversion of signals received by the telephone into speech so that the user can hear the person they are communicating with. For example, the transducer can also be used as a buzzer to alert the owner to an incoming telephone call. This type of transducer is referred to as multi-functional.
